Our Event

Servant Leadership Reception

The Servant Leadership Reception provides an opportunity for members to share our core values of servant leadership and the benefits of trusted relationships with our guests and community/business leaders.

A portion of all proceeds endow our scholarships that benefit first-generation college students at Texas Woman's University and the University of Texas at Dallas.

Our Goal

The scholarship funds that are raised go to first generation college students that exhibit the tenets of servant leadership. We have endowed scholarships at University of Texas, Dallas and Texas Woman's University.
